

# Lisbon Montessori School Profile, Tuition and Donations Policies

Lisbon Montessori School bears the legal framework of an LDA for practical purposes. Despite this LMS is a not-for-profit organization seeking to spread the positive impact of the true Montessori education through its efforts.

Because of the above we offer a tuition reduction program for members of local communities. If you wish to sponsor a child's tuition from a family who is not able to afford Lisbon Montessori School tuition, please do get in touch with us.

Lisbon Montessori School will graciously accept any charity donations, including cash, books and objects donations. All proceeds from donations will be used for building the library and upgrading other educational and recreational areas within the school grounds.

Lisbon Montessori School offers discounts on tuitions for families with more than one child attending school: 15 % for the second child, and 25 % for the third or more children attending LMS in the same year.

Parents can choose one of two payment plans. Tuitions can be paid quarterly (in 4 equal amounts) or annually. The single annual payment is awarded a 5 % discount on the full year tuition fees.

The deadline for re-enrollment is March 1. The prepayment and facilities fees will be charged to secure the spot. The spot is lost unless it is secured by March 1.

Fees are non-refundable.

All late payments will be fined, a 30 Eur fine will be applied on each week of late payment.
